Graphite Publishing

Graphite Publishing is a music publishing company focused on presenting emerging composers and their works to the music industry by offering single score sales online (via pdf documents) and producing low-cost, high-yield printed anthologies. Graphite brings those two extremes together and publishes music that is excellent, innovating and new, while at the same time is also accessible, likable and grasped by the average audience member. The music published by Graphite includes quality compositions where excellence and accessibility meet. It is unique yet emotional, it challenges the listener, and it is enjoyable to experience.
